TOPICS FOR DISCUSSION

DECISIONS AND RECOMMENDATIONS

ADMINISTRATIVE BUSINESS:

Read and approve the September 20, 2007 minutes

The minutes of the September 20, 2007 meeting were approved as written.

Division Staff Changes

Mr. Jones explained the staff changes taking place in the Division. Mr. Ford, Mr. Meservy and Ms. King were introduced.

DISCUSSION ITEMS:

Education and Enforcement Fund

The balance of the Education and Enforcement Fund was reviewed. Item was noted with no action taken.

Supervised Training Requirement

The Board discussed adding a requirement that a person complete supervised training prior to applying for a license. Mr. Boudrero discussed this topic with ASLA. ASLA is in favor with adding an internship of two years. ASLA would like to allow a person to sit for the examination prior to completing the experience requirement, but a person could not be licensed until they have completed all requirements. Mr. Jones explained that to add an internship requirement, it will have to be a statutory change. The statute allows for a person to be licensed by education, or eight years of experience. The eight year requirement could be changed to require experience in specific areas.

A change which would allow a person to sit for the examination before completing the experience could be changed by rule only. Mr. Jones explained that the Architects just changed their rule to allow a person to sit for the examination prior to completing their experience, but after a person has completed their education.

Mr. Ellsworth indicated that there are five states that do not require an internship, three states require one year, sixteen require two years, eighteen require three years and seven require four years.

Mr. Jones explained that the association needs to do the work to change the statute. The rules could be changed to further define the eight years of experience.

Mr. Ellsworth suggested that the issue of internship and continuing education be reviewed by ASLA. He would also like to let them know that the eight years of experience in lieu of education is being discussed.

Continuing Education Requirement

Mr. Jones explained that a continuing education requirement would need to be added by statute.

CLARB Spring Meeting

The CLARB Spring Meeting will be February 29 to March 2, 2008. The meeting will be held in Indianapolis. Mr. Racker made a motion for Mr. Ellsworth to attend the CLARB Spring Meeting. Mr. Anderson will be the alternate. Mr. Anderson seconded the motion. The Board recommended that Mr. Meservy attend the CLARB Annual Meeting.
